"WOMEN GOTTA STICK TOGETHER"

VALENCIA
Women gotta stick together each and every day
Women gotta stick together in each and every way
Females helping females
For the greater good
Sisters helping sisters
That's called sisterhood!

Women have the power
The power to make a change
Like, this girl should pluck her eyebrows
And those jeans should be exchanged

You really need to size up

Some girls are born tall and thin
And some are short and fat
This girl smells like sausages,
But there's nothing wrong with that!

Women gotta stick together!
All across this land
Except Denise Martinez,
That bitch I cannot stand

Oh hey, Denise!

DENISE MARTINEZ *Hey, Girl!*

VALENCIA
Females helping females,
Like this girl here with the blotchy face
She banged her best friend's boyfriend
In the bathroom of that half-price sushi place

BEST FRIEND *What??*
VALENCIA *Oh you didn't know?*

VALENCIA
So let's all spread this message
Like Caitlin spreads disease
'Cause a change is coming faster
Than Ashley drops to her knees
Together we can clear these hurdles
Except Marisa, 'cause she's four foot eight
We can climb every mountain,
If the rope can support Haley's weight

Women gotta stick together
Do everything we can
So if some weird troll named Rebecca moves here
From New York and is all up on my boyfriend
I'm gonna....
Lend her a helping hand

Women gotta stick together
And tell each other the truth
The truth is you're all fat sluts
And that's called...

Sisterhood!

"WEST COVINA (SECOND REPRISE)"

JOSH
West Covina...California
It's so cool you see the bounty
Of the best town in LA County
It's nirvana, it's heaven,
It's Mecca
Yeah, I'm hopelessly,
Desperately in love with...
West Covina
Can't believe that a girl like you...

REBECCA Ah-ah

JOSH
Would think this place is a
Dream come true...

REBECCA Ah-ah

JOSH
Or be swayed by a guy like me

JOSH & REBECCA
It's not just a coincidence,
It isn't just by chance
It's logical, it's obvious
It all makes perfect sense
And I'm just so happy that
You're here!

"DEAR JOSHUA FELIX CHAN"

REBECCA
Dear Joshua Felix Chan,
I remember the moment it began-

You were playing frisbee
Shirtless on the field across
The lake next to the dumpster
And your skin glistened in the
Sunlight, all your moles a
Constellation on your chest!

Dear Joshua, when we frolic
I feel like, and not to be hyperbolic,
But I feel like I could
Die of happiness when I'm
Nestled in your hairless arms
We're like Tristan and Isolde
Ancient lovers, rotting
Desperately in the forest!

Dear Joshua Felix Chan,
It's music when I hold your hand
I loved you from the moment
That I saw you, you're my hero
I believe in you
There's nothing you can't do
You make a difference in the world
And you make all the difference
In the world to me

"HAVING A FEW PEOPLE OVER"

DARRYL
Having a few people over
Having a few people over
Having a few-few-few-few-few,
Having a few people over
Having ha-ha-few-few-few-few,
Having a few people over
At this point you're probably
Aware I'm having a few people over

"PUT YOURSELF FIRST"

GROUP
Put yourself first girl
Worry 'bout yourself
Make yourself sexy
Just for yourself
So when dudes see you
Put yourself first

TONYA & KAYLA
They'll be like damn you're hot,
Wanna make out?

GROUP
Push them boobs up
Just for yourself
Wear six inch heels
Just for yourself

REBECCA
If it's just for myself, shouldn't I be comfortable?

GROUP
No! Put yourself first in a sexy way

KAYLA Pierce your ears
GROUP Just for yourself
TONYA Put a hole in your earlobe
GROUP Just for yourself
CHLOE Brace yourself
GROUP This is gonna hurt
Put yourself first in a sexy way

GROUP
Put yourself first girl
Worry 'bout yourself
Wear fake eyelids
Just for yourself
So when dudes see you
Put yourself first

They'll be like damn, you're hot
Let's buy a house in Portland

Put yourself first for him
That's what you gotta do
Put yourself first for him

REBECCA
If I put myself first for him, then by definition, aren't I putting myself... Second?

TONYA Don't think about it too hard
GROUP Too too hard
CHLOE Don't think about it too hard
GROUP Too too hard
KAYLA It's a wormhole
TONYA It's a Mobius strip
CHLOE It's snake eats tail
KAYLA It's the infinity sign

TONYA & CHLOE
Get a tattoo of the infinity sign
On your lower back
GROUP Just for yourself…

REBECCA
But I can't see my lower back. Also, can we go back to the fake eyelid...is that thing now?

GROUP
Yes! Put yourself first in a sexy way
Put yourself first for him!

"TEXTMERGENCY"

JUDGE SPENSER
Time is running out
You've got to act now
Stay one step ahead
Of that moronic text somehow!

MISS CAVANAUGH
There's no turning back
Here in the danger zone
You've got to manually delete that text
From that dude's cell phone!

REBECCA
Thank you, officers!

OFFICER
Good luck, Rebecca!

JUDGE SPENSER
It's a...Textmergency!
Baby, can't you see?
Textmergency
That term just occurred to me!
It's gonna catch on instantly!

MISS CAVANAUGH
Wait, what about Textastrophe?
That sounds better to me!
Textastrophe!
That could really spread virally!

JUDGE SPENSER
I prefer Textmergency!

MARK
I accidentally texted my
Mother-in-law
A picture of my erection

VANESSA
I once group texted my whole staff
About my yeast infection

JUDGE SPENSER
Exactly! It's so relatable!
That's why I coined the phrase…

MISS CAVANAUGH
Textastrosphe! That's the meme,
Don't you agree?

JUDGE SPENSER
All due respect, Textmergency!
Is the better term, Miss C...

MISS CAVANAUGH
Hmmmm...I wanna go with:
Textastrophe
I already put it on urban dictionary!

STEVE JOBS:
You fools! It doesn't matter what it's called.
That's right, it's me!
The ghost of Steve Jobs!
What matters is that I control your lives from the grave! Technology is slowly alienating everyone from their loved ones! Ha ha ha! And when you send a few words to the wrong recipient and it immediately destroys your entire life…that's called a…
messagepocalypse!

ALL
Get out of here, Steve Jobs!

VANESSA
Guys, what about that lawyer chick?
We've gotten really off track.

JUDGE SPENSER
She's searching for the spare key
Look under the mat!

MISS CAVANAUGH
It's clearly hidden in that owl!

MARK
Look in that flower pot, hurry!!!

VANESSA
Hurry up and check that Buddha
Sconce!

ALL
Check the Buddha sconce!
Check the Buddha sconce!
She did it! Now she can delete the
Text!

JUDGE SPENSER
She won't need to come up with a...
Textcuse!

MISS CAVANAUGH
Textplanation!

JUDGE SPENSER
Textmergency just flows.

MISS CAVANAUGH
No, dude! Textastrophe. It's what it is.

MARK
Dude, she's totally right.

VANESSA
Text-cuse me!

"WHERE IS THE ROCK?"

JUDGE SPENSER
Where is the rock?!

ALL Rock!

JUDGE SPENSER
That says ever?
Where is the rock?!

ALL Rock!

JUDGE SPENSER
That says ever?

MISS CAVANAUGH
If the rock came from inside your house
That means he has to believe
That someone broke
Into your house
And then picked up a rock -

ALL Rock!

MARK
And then went outside and
Threw it through your window!

VANESSA
That would be a super weird
Crime!!!!!

MISS CAVANAUGH
He's not the brightest,
But he's not dumb as a rock!

ALL Rock!

MISS CAVANAUGH
See what I did there?!

JUDGE SPENSER
Oh my god! He's turning over the
Rock!!!!

ALL Rock!

"YOU STUPID BITCH"

REBECCA
Well, Rebecca,
You've done it now...

Yeah, you guys know this one.

Karma's come to tap you
On the shoulder
All that lying that's been festering,
Plus breaking and entering,
Is coming now to crush
You like a boulder

You ruined everything,
You stupid bitch
You ruined everything,
You stupid stupid bitch
You're just a lying little bitch,
Who ruins things,
And wants the world to burn
Bitch. You're a stupid bitch,
And lose some weight.

I was so close to paradise
But now, the only thing
I'm close to is defeat
These shards are a
Metaphor for my soul
Won't stop the self-pity
'Cause I'm on a roll
Yes, Josh completes me,
But how can that be?
When there's no me left to
Complete?!

You ruined everything,
You stupid bitch!

Sing with me!

REBECCA AND AUDIENCE
You ruined everything,
You stupid stupid bitch!

REBECCA
Yes, I deserve this!

REBECCA AND AUDIENCE
You're just a poopy little slut,
Who doesn't think,
And deceives the people she loves

REBECCA
Now he knows I'm
Not some innocent lamb
He sees me for what I am
Which is a horrible, stupid, dumb,
And ugly, fat and stupid,
Simple, self-hating...
Biiiiiiiitch

"GROUP HANG"

REBECCA
The night was going perfectly, mi amor. We were having a romantic Mexican meal. Or Cali-Mex. Cali-Mex Italian - I don't really know what this food is. But our time together was cut short by the enemy of romance.

BEANS, WHITE JOSH, KEN, HECTOR
La la la la la...

REBECCA
It was a group hang, group hang
You're so far away in a group hang
A group hang, group hang
Do we really need all these nachos?!

It was an intimate date,
Just you and me
At a magical place where
Refills are free

Then your buddies showed up
And tore us apart
They're forces of evil,
A knife through my heart!

BEANS, WHITE JOSH, KEN, HECTOR
Salsa, burritos, taquitos,
Guacamole pizza!

REBECCA
A group hang, group hang
You're just out of reach in a group hang
A group hang, group hang
I'm so afraid of horses

Now you're telling a story
'Bout some dude named Jeffwad
And the time he "sprooshed,"
Whatever that means...
Feeling left out,
So I jump in and say...

I had a friend named Jeff once.
He took bad mushrooms and jumped off the roof of our dorm.

It was a group hang, group hang
It just got weird in this group hang
Group hang, group hang
It makes me so sexy sad!

EVERYONE
Spanish Spanish Spanish Spanish
Español, arriba!
Spanish Spanish Spanish Spanish
Español, arriba!
Spanish Spanish Spanish Spanish
Español, arriba!
Guadalajara, Sicily!

REBECCA
That's not in Mexico!

EVERYONE
Corned beef enchilada, pickle taco,
Salsa verde cheesecake, bacon tamale,
Root beer margarita, taco stew

REBECCA
Does the chef know what Mexico IS?

A group hang, group hang
What's this smoky tortilla soup thang?

I mean really, am I am I crazy?
I know there are people of Hispanic descent working at this restaurant.

A group hang, group hang

How are they not offended with the bastardization of their culture? Is it just me?
Maybe it's just me.

You're so far away in a group hang
A group hang, group hang!

Y ahora lo que temor mas de andar con el grupo -
El cheque!

"ROMANTIC MOMENTS"

Romantic moments you had that
He didn't know were romantic
Or maybe he did a little,
We're not really sure,
But most likely not

"COLD SHOWERS"

REBECCA
There's nothing I love more in life
Than a scalding hot shower
It's the symbol of human dignity
That separates us from the chimps
Helps you scrub off the sleep,
And scrub on the day
Or scrub off the day,
And scrub on the sleep
Don't know if you're morning
Or night shower people,
Whatever floats your boat

But where are your toddlers
Gonna float their boats
If all you have is cold H2O?
That's two parts hydrogen,
One part oxygen, and
Zero parts justice!

PAULA
Now I know you're thinking,
"What are you talking about?
Go away! This is private property!"

DARRYL
Well before we leave, ladies and gents,
Allow me to set the scene: Imaaaaaaa—

DELIVERY GUY *Yeah, I don't live here*

DARRYL *Oh*

REBECCA
Imaaaaaagine your kids takin' a shower,
Before they go to school
They douse their skin with ice cold water,
A huge shock to their li'l systems

At first it's downright unpleasant but then
It gets them wired in a way they've never felt
And they think to themselves,
"That shower felt great, maybe I'll try cocaine!"

So your son's on coke,
Your daughter's pregnant and
Your husband's probably having an affair!
Apocalypse!
Just like the movie "I Am Legend"
But not like that at all!

No hot water!
Which means cold showers!
Next thing you know, your kids will be on crack!

DARRYL No hot water!

PAULA Which means cold showers

REBECCA
Which everyone knows,
Is the gateway drug to
Crack, crack, crack, crack...

PAULA AND DARRYL
Crack, crack, crack, crack...

CROWD
Crack, crack, crack, crack...

REBECCA
Now, it's not just about the hot water, folks!
If this landlord isn't taking one measly hour
out of his day to fix your showers,
then what's this scumbag doing
with all your hard-earned cash?
He's taking it and blowing it
in a hand of Pai Gow at the Indian Casino!!
He's fat-catting it at fancy restaurants
Like the Olive Garden!
And Red Lobster!

REBECCA
Gasp is right!
That's gasp with an
Uppercase G that ends with P
The first letter in pool!

CROWD No hot water!

PAULA No hot water!

EVERYONE Which means cold showers!

REBECCA
Next thing you know,
Your kids will be on crack!

CROWD
This makes sense!

EVERYONE
No hot water!
Means cold cold showers!
And cold showers are the
Gateway drug to craaaaaaaack

REBECCA, PAULA AND DARRYL
Cold water is drugs!

EVERYONE
Yeah!

"JAP BATTLE" [CLEAN]

AUDRA LEVINE
This is real deep beef
From way back in the past
Deeper than I'll put a foot up
In the crack of your ass

Come on, let's do this
Your little pals can witness
How vicious this Westchester
Alpha bitch is

I'm straight up malicious
A verbal curb stomper
Since we were toddlers,
I've studied every chink in your armor,
And between your folks' divorce
And that haircut on ya,
I'm really not sure which one's
The bigger *Shondeh*

REBECCA
That means "disgrace"
I'm translating for the *goys*
Our life lines have been parallel,
Like corduroys
But now we'll see
Whose bars will prevail
In this beef of two hard-as-nails
Shebrews from Scarsdale!

AUDRA LEVINE
We've got a conflict of interest

REBECCA
I'm about to give Levine the business

AUDRA LEVINE
Spittin' venomous hate-

REBECCA
Penetratin' her defenses-

AUDRA & REBECCA
It's a JAP battle

Darryl
A what?

NEW YORK LAWYERS
A Jewish American Princess...

AUDRA LEVINE
Rap battle

WHITEFEATHER LAWYERS
Daughters of privilege...

AUDRA LEVINE
Spittin' mad flow

NEW YORK LAWYERS
Find that term offensive?

AUDRA LEVINE
Too bad, yo!

AUDRA & REBECCA
Oh snap, it's a JAP battle rap

REBECCA
Look: Academically,
You could never catch me
You were close, but
No match scholastically
No how, no way,
I put the "OG" in "5.0 GPA"

AUDRA LEVINE
Well, speaking of which,
Are you AP graded?
'Cause these days, you look a bit
Heavily weighted
And all your book-crackin'
Don't make up for the fact
That I'm strapped with that
Killer instinct that you lack
Sweetheart, here's what you're
Not understanding: I'm street smart

REBECCA
You mean 'cause you minored
In urban planning?
Bitch, I know you, that tough act's a bluff
So *sheket bevaka*, shut the hell up!

AUDRA LEVINE
Your temper! You lost it! Aw! Cute!
Like you're gonna lose this lawsuit
Keeping your piehole shut
Would be quite wise
Though you kept it open
Wide for the AEPi guys

REBECCA
And I banged your hedge-fund
Manager fiancé!
Back in college over winter holidays
Bathroom stall at the Matzo Ball
And honestly? I gotta say:
Really, not hot at all
Finished quick, rotten lay

WHITEFEATHER LAWYERS
This is:

REBECCA
A JAP battle

NEW YORK LAWYERS
Bane of my existence...

REBECCA
Your rhymes are facil

AUDRA LEVINE
From Golden's Bridge...

REBECCA
To North Castle

AUDRA & REBECCA
Wipe you off the map in this
JAP battle rap

AUDRA LEVINE
Bunch, you're a curse, you're a blight,
We were frenemies at first spite
Think your verse is tight?
Then you're trippin' like birthright
I'll wipe the mirth
Right off your ugly mug,
And fill you full of slugs
Like a straight up thug!

REBECCA
Uh, that word is racist
Someone oughta tell you
Like me! I belong to the
ACLU

AUDRA LEVINE
Spare me
I'm a card-carrying member
Plus, I spent a semester
In Kenya, remember?

REBECCA
Well, I volunteered in Ghana

AUDRA LEVINE
Well, I guess that makes us equal

REBECCA
Well, it's settled then

AUDRA & REBECCA
We're both cool with black people

AUDRA LEVINE
Cause we're liberals

REBECCA
Duh! Progressive as hell

AUDRA & REBECCA
Though of course I support Israel

REBECCA
Audra, wait
We share so many traits
Should we shake hands
And erase the hate?
Created by our mothers
Pitting us against each other
For accolades and grades?
We were egged on like Seder plates!

AUDRA LEVINE
Nah. In summation,
You left New York for this sunburnt *shtetl*?
And now you're like "Oh Audra, let's settle"
You wanna get salty like the Dead Sea?
Word. But call off this suit,
Or you're dead, C-word

"JAP BATTLE" [EXPLICIT]

AUDRA LEVINE
This is real deep beef
From way back in the past
Deeper than I'll put a foot up
In the crack of your ass

Nah. In summation,
You left New York for this fuckin' *shteti*?
And now you're like "Oh Audra, let's settle"
You wanna get salty like the Dead Sea?
Word. But call off this suit,
Or you're dead, C-word

"FLOODED WITH JUSTICE"

MONROVIA & THE EL MONTES
Can you hear a trickling sound?
That's the leaking sink of change
It's a drip, drip, drip,
That no handyman can fix

THE EL MONTES PLUS GROUP
For we shall not be ignored,
'Til our honor is restored
And your basement
Is flooded with justice

PLAINTIFFS
Soon the raging waters
Will crash upon the shore
When we sing of raging waters,
It's not just a metaphor
What we mean is, it's also
A water park in San Dimas
But that's an aside,
It's not what we're marching for...

EVERYONE
Can you hear a trickling sound?
That's the faulty faucet of truth
It's a drip, drip, drip,
That will make you go

"What is that?!"

We shall not be denied
'Til we restore our pride
And then we'll all go
To Raging Waters

BALDWIN PARK PLAINTIFF
And we'll ride Dr. Von Dark's Tunnel of Terror!

LA PUENTE PLAINTIFF
Good idea, Baldwin Park!

EVERYONE
Yay!!

For we have had enough
Of Hollywood stealing our water
They're probably using it
To make party drugs and Oscars
Our precious water shouldn't be
Funneled to celebrities
No more water for
BJ Novak's ecstasy factory!

Can you hear a trickling sound?
That's the janky shower of glory
A drip, drip, drip,
That will keep you up all night
And then you'll be late for work
And you won't be able to focus
And you'll come home to a basement
That's been flooded
Flooded with justice!!!

"DON'T SETTLE FOR ME"

HEATHER
Don't settle for me!

GREG
What?

HEATHER
Come on, dude, don't settle for me
Trust me, I know guys and that
Look in your eyes means you're in
Love...

GREG
Love? Who are you all of a sudden?

HEATHER
Shut up and listen to my wise Reprise.

We've had some fun
Together -

GREG
Hold on a second, Heather

HEATHER
But I need like so much more
I'm way too badass to be
Someone you settle for

Go see her, K?

"FLOODED WITH JUSTICE (REPRISE)"

PLAINTIFFS
We have heard the trickling sound
It's the faulty faucet of truth
It's a drip, drip, drip,
That fills us all with pride

A COUPLE OF PLAINTIFFS
Slow clap, slow clap...

PLAINTIFFS
Yes, we never saw the lies
Until you opened our eyes
Now let's all go to
Raging Waters!!!!

"GETTIN' BI"

DARRYL
I don't know how
I don't know why
But I like ladies
And I like guys
I realize
It's a surprise
But now I see that that's just me
It's not like I even try

So if you ask me how I'm doing
Here is my reply

I'm g-g-g-g-gettin' bi
I'm gettin' bi
Oh yeah I'm letting my bi flag fly
Not gonna hide it
Not gonna lie

I'm a bi kinda guy
There's no reason to be shy
My oh my
It's a fact I can't deny
I'm bi bi bi til the day I die!

Now some may say
Aw you're just gay
Why don't you just go gay all the way
But that's not it
Cause bi's legit
Whether you're a he or a she
We might be a perfect fit

And one more thing
I tell you what
Being bi does not imply
That you're a "playa" or a "slut"
Sure I like sex

PAULA
Please make him stop.

DARRYL
But I'm no "ho"
I take things slow
Until I feel at ease

So if you ask me
How I'm doin'
I'm feeling peppy,
Sprightly, spry

I'm g-g-g-g-gettin' bi
I'm gettin' bi
And it's something
I'd like to demystify
It's not a phase
I'm not confused
Not indecisive
I don't have the gotta
Choose blues
I don't care if you wear
High heels or a tie
You might just catch my eye
Because I'm definitely bi
Big man!

I'm gettin' bi
I'm gettin' bi
I'm gettin' bi
I'm gettin' bi
I'm gettin' bi
I'm gettin' bi
It doesn't take an intellectual
To get that I'm bisexual!

"I'M THE VILLAIN IN MY OWN STORY"

REBECCA
I try to be good to others
Treat my fellow men like brothers
And sisters
That's the story I'm the hero in
So how come I can't zero in
On why this song sounds so
Sinister

Oh my God!

I'm the villain in my own story
I'm the witch in my own tale
Though I insist I'm the protagonist,
It's clear that my soul is up for sale
I'm the villain in my own story,
The bad guy in my TV show
I'm the "who" in the whodunit,
When I go to hell I'll run it,
As Satan's CFO

He needs someone to do the books
Actually I shouldn't do that,
I'm terrible with money!

But wait! How am I a villain?
I give annually to Unicef
And just last week I helped a lady
Cross the street who was super old
And deaf

Wait - where am I? Aaah a bird!!

I'm the villain in my own story
I'm the bitch in the corner of the
Poster. I'm the figure in the doorway
Or the Kraken up in Norway
God who is this song's composer?!

It's like ridiculously sinister
Redunkulously sinister

REBECCA
Well, well, well…looks like I've got you now, Valencia!

VALENCIA
What do you want to do with me, you evil witch queen? I am but a humble Yoga instructor.

REBECCA
Oh, what I want is…your boyfriend!

VALENCIA
Not Prince Josh! Anything but Prince Josh. Why are you doing this? I'm Kate Hudson.

REBECCA
We're doing the witch and the princess thing, ok? Just go with it.

VALENCIA
Ok, so fine. I'm the princess. Why, why are you doing this to me?

REBECCA
Because I'm jealous of you and your life. You're so skinny and Josh is so perfect and I want to take it all for myself! And now I'll cook you into the traditional dish of dinuguan and serve it to Josh's family!

VALENCIA
Noooooooooo!!

REBECCA
Hahahahahaa

NEIGHBOR
Shut up!

REBECCA
I'm the villain in my own story
My actions have gone way too far
I told myself that I was Jasmine, but I
Realize now I'm Jafar

We're told love conquers all,
But that only applies to the hero
Is the enemy what I'm meant to be?
Is being the villain my destiny…?

"DREAM GHOST"

DR. AKOPIAN
You know the trope,
In storytelling it's a norm
When a person's in trouble a manifestation
Of their subconscious appears in the form
Of a dream ghost!
Giving advice you kind of already knew
I'm a dream ghost!
I'm really just your mind working things through
It's not clear if I'm hallucinated
Or actually magic
Let's leave it vague,
It's more interesting that way

I'm gonna take you,
On a journey through time and space
And in the end you'll realize,
You knew the answer all along
Honestly, it's a bit of a waste to be a –

DREAM GHOSTS
Dream ghost! (dream ghost)
We're other dream ghosts!
Helping people on this plane
We're also dream ghosts! (dream ghosts)
While you're all asleep,
We'll sing the refrain

DR. AKOPIAN & DREAM GHOSTS
It'll never be clear
If we're hallucinated
Or actually magic
And we're all women
'Cause this job doesn't pay so well

REBECCA
Wow! So there are a lot of dream ghosts

DR. AKOPIAN
Yep. A lot of people on this plane
Are having predicaments

DREAM GHOST #1
This guy is deciding
Whether or not to leave his wife!

DREAM GHOST #2
This girl is wondering
If she should terminate her pregnancy!

DR. AKOPIAN
This lady's dreaming in Portuguese,
So I'm not sure what she wants

DREAM GHOST #1
And this douche is agonizing over
Whether to buy or lease a new Porsche

DR. AKOPIAN & DREAM GHOSTS
We are the dream ghosts! (dream ghosts)
Here to show you the proper way
We are the dream ghosts! (dream ghosts)
And the healthcare with this job is just okay

We'll help you with decisions
If you're on the fence
And we're available for private events
We're the dream ghosts!
We wish our union health plan had dental…

Dream ghosts

We pay out-of-pocket for cleanings!

"I COULD IF I WANTED TO"

GREG
Whoopty-frickin doo
An A? What's an A?
It's just a letter on a page
Meant to distract us from the pain!

But it's not like any A can make a
Difference in the day
Sure I could get an A,
If I wanted to get an A
But who cares about an A?

I don't, I don't care
Although I could have
Made that grade if I did care
But I don't

But I could if I wanted to

Whoopty-frickin doo look at this
Guy in the red and blue striped tie
Making millions till he dies
Selling bonds and stocks
To other guys in ties,
Who have millions
With which to buy a bunch of bonds
And stocks and ties

I'd rather die, which I will
Eventually, of course
But in the meantime, I could make
Millions selling stocks and bonds and
Ties. If I tried. But I don't
But I could, but I don't

But I could if I wanted to. Yeah
Yeah I could if I wanted toooo
Who cares

Whoopty-frickin doo
A happy Dad, with his big Dad calves
And his stupid baseball cap
And his t-ball shirt and dumb ass
Son throwing a ball
Like it's soooo important to know
How to throw a ball
Whoopty-frickin doo
Who cares about throwing a ball
Or having a kid
It'll get you nowhere in life
Not like getting anywhere matters
Although I guess it does
If you care, which I don't
But I could. But I don't

But I could if I wanted to. Yeah
Whoopty-frickin doo,
If I wanted to, this song sucks
I could make it good if I wanted to. Yeah
Yeah I could if I wanted to

GREG
I could do that if I wanted to

FEMALE BYSTANDER
You're an idiot

"CLEAN UP ON AISLE 4"

MARTY
This goes out to a young lady
Currently restocking feminine products.
It's called "Clean Up On Aisle 4"

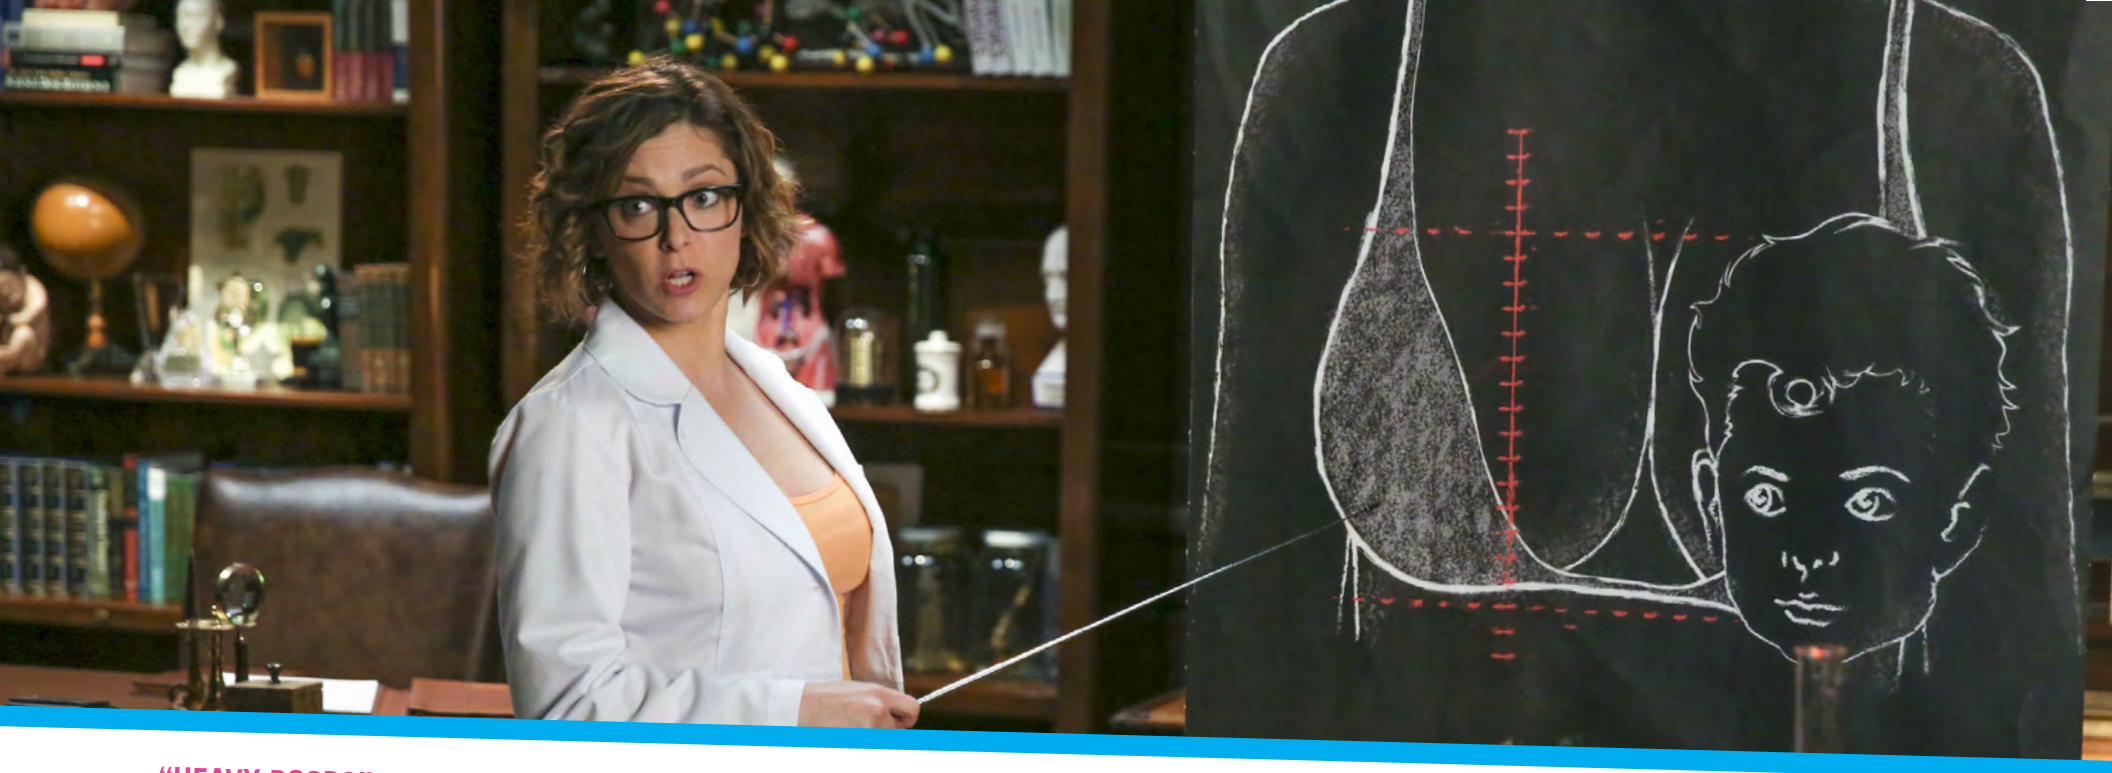
Not an actual clean-up, Rick!

Clean up my heart on aisle four

'Cause that's where it lays in a heap
Of green olives from the olive bar

'Cause I'm the pimiento to your olive,
I wanna be inside of you

But instead my heart is on the
Floor being crushed like the garlic
We sell by the door…



"HEAVY BOOBS"

REBECCA
I got them heavy boobs, heavy boobs
Dense like dyin' stars
I got them heavy boobs, heavy boobs
I can't run real far

Let me break down what I just said
Each of my Double Ds
Has the volume of a toddler's head
Not bitchin' 'bout my boobies
They look super fly in shirts

But if I swung them in your face
You'd be like "Omigod that hurts!
I'm blind, holy crap
I literally can't see
I have permanent retinal damage
I'm suing you and your heavy boobies"

Heavy boobs, heavy boobs
Dense like dyin' stars
I got them heavy boobs, heavy boobs
They each have their own memoirs

What you gotta know
Is that boobs may be where it's at
But if you cut them open
They're just sacks of yellow fat
Stuff falls into my bra,
It's a little bit of a drag
But when I go to bed at night,
It's like opening a Mary Poppins bag

DANCERS
Whee! Candy and pennies!

REBECCA
I got them heavy boobs, heavy boobs
Dense like dyin' stars
I got them heavy boobs, heavy boobs
Don't need an airbag in my car

Here is a list of all of the objects
That I can hold under my boobs:
Stapler, 10 pencils,
Paperback copy of Arabian Nights,
Dog bowl, remote control,
Hard back copy of Wuthering Heights

See, when a star is dying it transforms into a Red Giant. And if the Red Giant does not have enough mass to fuse carbon, an inert mass of carbon and oxygen builds up in the center, transforming into a dense white dwarf. And, yeah, like, that's my boobs. That's what my boobs are like.

I got them heavy boobs, heavy boobs
Dense like a white dwarf
I got them heavy boobs, heavy boobs
They'd be a catch at Fisherman's Wharf
I got them heavy boobs, heavy boobs
Don't ever forget
That these heavy boobs, heavy boobs
Are just sacks of yellow fat
Like the stuffing of a couch,
They're just sacks of yellow fat
Technically meant to feed a baby,
They're just sacks of yellow fat

"I GAVE YOU A UTI"

GREG
What's that's burnin' feelin'
Every time you pee?
Well, that's how it goes,
After you have so
Much awesome sex with me...

I gave you a UTI
Yeah I gave you a UTI
My sweet love injection,
Caused a urinary tract infection!
I'm just that good!
I didn't even try, try, try!
I gave you a UTI...

REBECCA
OK. So it's not really a comment on the quality of the sex, as much as a lot of sex has been happening and there's just a very natural transfer of bacteria to my -

GREG
Don't ruin this for me.

That bladder inflammation
Is my little gift to you
Yeah, sometimes chicks need medication
After what I put them through!

C'mon, sing with me!

REBECCA
Nah. I'm not going to do that.

GREG
I gave you (I gave you),
A UTI (a UTI)
Yeah I gave you (I gave you)
A UTI (a UTI)
I'm so good at sex,
Your maiden ship got wrecked
My penis is the reason
You may die, die, die
I gave you a UTI!

One night with me is pure ecstasy
'Cause I know just what you like
But you should know for a week or so,
You won't be able to ride a bike

Sorry if you have to cancel that spin class. I'll pay the cancellation fee because I Know a lot of times you have to book the Specific bike in advance. Anyway-

I gave you (I gave you)
A UTI (a UTI)
Not an STD (no STDs)
Just to clarify!
If it hurts to take a leak,
Well, that's just part of my technique
What has two thumbs
And gave you a UTI?
This guy!

I gave you a U-T,
I gave you a U-T,
I gave you
A U-T-IIIIIIIIIIIII

"ANGRY MAD"

JOSH
Angry!
Feeling
Bad!
Why do I feel this way?!
Angry! Mad!
My heart is hurting and it feels
Bad!
Punching,
Feeling,
Crying
Grrrrrrr.....Bad!
Grrrrrrr.....Bad!

"OH MY GOD I THINK I LIKE YOU"

REBECCA

You've been tearing me up for a
Week and a half
I don't mean like, in my heart
I mean, physically you've been
Tearing me up
It's D-Day in my lady parts

But as I'm beggin' for more
Writhin' around on the floor
I feel somethin' deep inside I've
Never felt before

Oh my god I think I like you
Oh my god I think I like you
It's scary but you send me back
On my heels
'Cause while I'm getting spanked
I can't ignore the feels

But I say "no no no,
This is just about sex"
And "no no no
Don't be such a girl, Becks"

But then I feel the oxytocin
Creeping back to my brain
And all I can do is sing it again

Oh my god I think I like you

Why can't I just focus on
Getting a pounding
On the bidness goin' on near my thighs

But as my body's getting ruined like,
Really trashed
I only wanna look in your eyes

But then I'm upside down next to my
Kitchen sink
And suddenly it's like oh my god
I think I like you
Oh my god I think I like you

My feelings get stronger every day
I'm like a little girl
Not in a role-playing way

Are there condoms that can prevent
These feelings?
Is there spermicidal lubricant that can
Kill the fluttering in my heart?

Is there an IUD that can stop the image
Of you and me,
Getting married on a hillside,
Surrounded by ducks,
And then we get into a rowboat?

Oh my god! I think I like you
Oh my god I think I like you
But I say "no no no

No no no,
No no no,
No no no"

"AFTER EVERYTHING I'VE DONE FOR YOU (THAT YOU DIDN'T ASK FOR)"

PAULA

Time for you to shut up!
Time for you to sit down!
Paula's tired of being your
Sidekick, your henchman,
Your eager - little - clown!

After everything I've done for you -

REBECCA

...that I didn't ask for!

PAULA

Do you have any idea the work
You're undoing?

After everything I've done for you,
That you didn't ask for
Let's just say Greg isn't the only one
You're screwing!

Wanna know all the things I've done for you?

I broke into Josh's old high school
And made copies of all his grades
I "bumped into" Lourdes at Starbucks
And suggested you be a bridesmaid
I blackmailed Valencia's boss,
So now I control when she teaches
That's right, I make Yoga class schedules!
There's no limit to where my reach is!

After everything I've done for you,
That you didn't ask for
God, will your lies never end?
After everything I've done for you,
That you didn't ask for
The least you can do is be honest
With your mother - I mean, friend

What's that look on your face?
You're horrified
You think I'm a monster
For doing your dirty work

You think love is stainless and pure?
But beneath all the fantasy,
There's filth and there's gore...

So now it's...
Time for me to walk out!
Time for me to say no!
Paula's tired of working
For no thanks at all
Paula's gonna go!

You're nothing without me,
And my creativity
I created you,
You lived in my womb...
I mean, figuratively!

After everything I've done for you,
I don't know why

So now I'm gonna say
Goodbye!

"ONE INDESCRIBABLE INSTANT"

AUNT MYRNA

In one indescribable instant
The whole world falls away
In one indescribable instant
You'll know just what to say
In one indescribable instant
Your heart will speak the truth

'Cause in that one indescribable
Magical, mystical
Endless, incredible instant,
The only words you'll need are
I love you

In one indescribable instant
There is no time or space
In one indescribable instant
It all falls into place
In one indescribable instant
Your dreams will all come true

'Cause in that one indescribable
Magical, mystical,
Endless, incredible,
Barely believable,
Truly unlikely but not inconceivable,
What are you kidding me?
No, it's for real-able instant,
The only words you'll need are
I love you

All songs Produced and Mixed by Adam Schlesinger and Steven M. Gold

Engineers: Dan Piscina, Milton Gutierrez, Oren Hadar, Kevin Leach, Adam Schlesinger, Steven M. Gold, Jack Dolgen, Pete Min
